A P P L Y	<p>We face choices in our lives all the time, in our interactions and how we respond to different situations. We often have the choice to do things for the benefit of ourselves... or others. Jesus' charge to his disciples is clear. Following him will require them to set their needs aside, even as they face hard and difficult days. The journey for us, too, as Christ's followers today is not always easy. Think of a time you faced a particular challenge as you shared of your faith?</p>
P R A Y E R	<p>Dear God-Help us to be faithful to your call to follow. The challenges to our faith are always there, but we know and can trust in your presence in our lives no matter what we face. We are thankful for that promise. Amen.</p>
